Six Skeeters named to Atlantic League All-Star team

Atlantic League officials announced last week that the 2013 All-Star Game rosters, with six members from the First Half Freedom Division, were selected by vote of the Atlantic League’s Managing Directors. The Skeeters selected to partake in the Mid-Summer Classic are reliever Matt Wright, infielder Andy Dianna Tate, and outfielder Adam Johnson. Two pitchers, Randy and Aaron Bates, and pitchers Matt Wright and Jason Bergman.

Bates has shown consistency this year with his bat for Sugar Land. He leads the Skeeters in one of the game’s most crucial statistics, home runs. He totals a 20-26 hit streak from April 24 – May 29 where he went 20-of-131 at the plate. Bates has played 63 games this season and leads the team in the primary offensive stat, base hit, and has a .311 (69-of-221) average.

Wright holds a 1-9 record with a 2.85 ERA (55-85.1 starts) over the past year. He holds the honor of being named the only Opening Day starter in Skeeters history (2012-13). The right-hander currently leads the Atlantic League in wins and ERA and ranks fifth in strikeouts (64). Wright is 11-1 all-time in his career with Sugar Land.

Johnson currently ranks second in the league with 18 RBIs earned this season. He was selected as this season’s member of the Washington Nationals organization. The right-handed reliever is 2.0 with a 2.93 ERA and leads the Atlantic League in strikeouts in 29 appearances with 78. In 2013, he holds fifth in the Atlantic League.

Dianna Tate, a dominant middle infielder for Sugar Land, has been named to the AL roster and is tied for second in the Atlantic League in RBIs. His RBI stat leads the current Skeeters roster and is in line for a great all-time career mark. A native of Pineville, Texas, Dianna Tate, 2013 marks his second season playing in the Atlantic League.

Players on the AL roster were selected on the basis of online voting as well as a poll of Atlantic League team officials, while pitchers were selected by the respective team's coaching staff.

“This really says a lot about the league,” said Skeeters Manager Gary Gaetti. “This group of players reflects the work ethic and they’re incredible baseball players. To represent Sugar Land well and work hard is something special."

The 2013 Atlantic League All-Star game is being hosted by The Communities of Sugar Land and will be held on Wednesday, July 10 at 7:07 p.m. at Regency Furniture Stadium in Sugar Land, Texas.

PURCHASE OF FLEET VEHICLES
